

Christian Girardeau
CEO, CITILOG

chris@citilog.com

Since the end of 2000, Christian has been involved in a few turnaround situations for Technology companies as CFO in the early 2000's and gradually moved into CEO's positions. His field of expertises covered Network QOS, IPTV, Wireless, ultrasonic and utility metering. Before being in charge of the development of CITILOG (www.citilog.com), he was CEO of QOSMETRICS (<http://goe.symmetricom.com/>) and realized the turnaround of the company within 14 months with a sale to SYMMETRICOM (<http://www.symmetricom.com/> San Jose, California), a leader in system GPS and Time protocol.

Before 2000, Christian had spun-off a security technology company out of THALES in the area of VPN (Virtual Private Network) and PKI (Public Key Infrastructure) thus creating one of the first French player back in 1997.

In the early 90's, Christian was a partner at THALES VENTURE, the corporate venture firm of THALES. He has been involved in IPO in France and USA, as well as turnaround situation and Development. He was a member of the Industry Liaison programs of MIT (Boston, USA), ONERA (Fr), FRAUNHOFFER GESELLSCHAFT (Ger) and FEL-TNO (NL).

Before that, Christian has been involved in engineering, marketing and international sales.

In the United States, Christian earned an MBA from the WHARTON school in Philadelphia. In France, Christian graduated from Ecole Nationale Supérieure des Techniques Avancées, with the MS in Computer Science and Ocean Engineering.
